

## Imeachtaí Iarscoile – After School Activities

Scoil an Droichid are working with **MR Sports** [[MR-Home - MR-Sports](#)] to provide a range of after school clubs and activities this academic year. This means that we can now provide a wider range of activities throughout the week and extend after schools provision to Primary 1 and 2 - something which parents highlighted in our end of year questionnaire in June 2023.

We will continue to provide our own in house homework club, as well as Soccer and Ukulele (these clubs are currently full). An Droichead centre will also continue to run their homework support club each Wednesday.

Summary of after school activities:
